Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in the vehicles listed above. As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been decided a 12V mini breaker is located too close to the propane cylinder. If this condition exists and the propane bottle rubs against the rubber boot it may wear through and cause a shortage leading to increased risk of fire and personal injury.

***What we
will do***

Keystone representatives have been in contact with the staff at your selling dealership regarding this situation. The remedy is to relocate the breaker away from the propane cylinder. The service and parts required for this corrective action will be provided at no charge to you.

***What we need
you to do***

As soon as possible, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately 1 hour. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.

***If you have
questions***

Your dealer is best equipped to obtain parts and provide service to ensure your RV is corrected as promptly as possible. If your dealer is unable to assist or if you take your RV to your dealer on the agreed service date, and the dealer does not remedy the condition within a reasonable amount of time, or without charge to you, please contact Keystone Customer Service by calling 1-866-425-4369.

If after contacting Keystone Customer Service you are still not satisfied we have done our best to remedy this situation, you may also submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590. You may call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153; or go to <http://www.safercar.gov>).
